BNEI MITZVAH GROUP - 5771

This is a series of creative monthly evenings and special sessions required for Bnei Mitzvah and their parents to make this milestone more meaningful. Most sessions will be at The Adath on Tuesday nights, 5:45-7:45 p.m., starting with dinner. A few special sessions will be different. Childcare can be arranged with advance notice. Parents are expected to participate with their children. At some sessions, parents and children will be together. At other sessions, separate activities for parents will be planned. Sessions are facilitated by Rabbi Michael Whitman and Assistant Rabbi Alex Zwiebel. Please note this schedule is subject to change during the year. Check our website for updates.

COMMENTS FROM LAST YEAR:

It was a great experience.

I wish we had this program when my older son was Bar Mitzvah.

It was the way of the rabbis (Whitman and Zwiebel) to pull the community together and made each member get to know each other.

Never did I feel so welcome.

It was a wonderful and interesting experience.

We will miss the sessions.

Thank you for making the whole Bar Mitzvah experience special.

Congratulations on initiating this – it has made us a part of The Adath community.
